Again, to really hammer it home, here is what the Roblox Company say on their support page:

Bartle wants the medium to become more ambitious. “At the moment, it’s as if there’s emerging technology and it’s looking for a solution,” he says. “If you’re in an online world or a ‘Metaverse’, why are you there? What are you hoping to gain from it?”

Update July 8th, 4:45PM ET: Clarified how much money Roblox developers make.

The Robux stipend is only mentioned because, technically, you’re still receiving free Robux. However, you have to pay a monthly membership for it. Roblox has three tiers of premium monthly memberships.

A good year or so I wrote an article called ‘What is Roblox?’. At the time I was new to the game that my young son had started playing and thought it a good idea to educate people on what the ‘game’ actually was. After playing with my son for over a year on Roblox I felt it was time to rewrite the article as there is plenty that the original didn’t cover.

Think of Roblox instead like an app store. The “storefront” recommends games for you to play, and you can also search through the games available or browse through different categories and genres. A lot of players also share games among themselves or find things recommended online by creators and YouTubers.

There are also 12 vehicles with padlocks on them, and these are locked behind the much more expensive Vehicle

Pack Pass. That will cost 799 Robux, although it must be said the vehicles in this pass are definitely the nicest in the game. As you can see, there are vehicles for all levels of players in Brookhaven, from those who wish to play for free, or save their Robux, and those who don't mind spend some money to get what they want.

Datamined Call of Duty: Vanguard artwork and editions confirm WW2 setting, open beta, and more

Go to the Roblox avatar shop or the Robux shop and select the item you want to purchase.

Bloxy News is an informal Roblox news source presenting content related on what is going on the stage. It was made on August 27, 2017 by BloxxBox. He typically posts Roblox- related reports on Twitter, Instagram, and on YouTube. On YouTube, recordings, for example, new Roblox highlights and updates, instructional exercises, and occasion features are ordinarily posted.

Decentraland is another Metaverse candidate that grapples with this very issue. Dave Carr of the Decentraland Foundation tells me that the founders decided that “rather than have these environments be controlled by central bodies, they should have a decentralised structure and be open to everyone to own and govern.” From economic matters, to content moderation and even the maintenance of its servers, Decentraland's user base dictates its entire policy course through regular votes.

There are, however, a few easy things you can do to minimise the risk. First off, as mentioned above, don't tell your kid the password to their Roblox account. The reason behind this is the 'free Robux' scams that proliferate the internet. These sites get your details by disguising themselves as sites that look like an official Roblox page and encourage people to log into their Roblox account via their page to claim 'free Robux'. If you do this you have just given the scammers all of the information they need to take over the account and clear it out. No matter how tempting these sites are you need to know that there is NO SUCH THING AS FREE ROBUX. Only purchase Robux using the methods mentioned before.

It can be on direct or indirect purchases in your game, so just make sure not to violate the rules if you plan on making money this way, which is something a Slender might consider.

Buying Robux with real-world money is the most convenient option for most players. The options are relatively cheap and pre-loaded cards are available at just about every grocery store in the Gift Card section.

Other ways of protecting your kids and your own wallet could be to use a pre-paid debit/credit card when purchasing Robux and limit the amount on the card. Doing this minimises your losses should the worst happen.

During a recent developer Q&A, Splitgate developers announced that they are working on an update that will bring Splitgate to Xbox Series X/S and PlayStation 5. We don't know much else at this point, and there is no release window announced, but we expect the Splitgate upgrade will have a smoother framerate than the Splitgate PS4 and Xbox One versions have currently. 1047 Games also mentioned possibilities of versions on Switch, Mac, and mobile, but the studio hasn't begun any work for such versions yet.

When Robux are spent in a game the developers will get a cut and this is how they make money. Almost every game will have something you can buy with Robux and they do a great job of highlighting these within games making it very easy to spend, spend, spend. We'll discuss how to get Robux later on but keep in mind that if your kid is playing Roblox they will almost definitely start asking you to buy them Robux from the offset.
